The Local Wetland Inventory study area includes the Hood River city limits and the area within the urban growth boundary.

Wetlands 0.5 acres and larger were mapped. Wetlands smaller than 0.5 acres with DSL-approved wetland delineations were also included. Possible Wetlands (PW) are areas noted during inventory development that appear to meet wetland criteria but are less than 0.5 acres in size. Possible Wetlands were not field verified.

DISCLAIMER:
Information shown on this map is for planning purposes only and wetland information is subject to change. There may be unmapped wetlands subject to regulation and all wetland boundary mapping is approximate. In all cases, actual field conditions determine wetland boundaries. You are advised to contact the Oregon Division of State Lands and the U.S. Army Corps of Engineers with any regulatory questions.
